(a) the details of law and order problem in the Jammu and Kashmir and North-East region of the country; and

(b) the details of concrete steps taken by Government to improve the situation in these areas?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI CH. VIDYASAGAR RAO): (a) and (b) Jammu and Kashmir—Basically the Law and Order problem in Jammu and Kashmir is created by the Terrorists sponsored from across the border. There have been continued efforts on the part of Pak ISI and Pro-Pak militant outfits to induct mercenaries from across the border into J&K with a view to carry out terrorist activities. During the year 1999, 821 civilians and 356 security personnel were killed by terrorists. The Security Forces killed 1082 militants during 1999.

The Government has adopted a multi pronged approach which includes, *inter-alia,* strengthening border management, neutralising plans of the militants by proactive action against them in the hinterland, gearing up intelligence machinery, greater functional integration through an institutional framework of Operation Groups and Intelligence Group of the UHQ at all levels, improved technology, weapons and equipments for security forces etc.

Steps have also been taken afresh to flush out militants, check infiltration and curb militant activities including closer vigil on the border by intensive patrolling and extensive search operations.

N.E. Region: Presence of long porous borders has facilitated the movement of insurgent groups as well as the inflow of illegal arms into the region, besides the large scale of influx of illegal migrants into the country. Pak ISI has also been assisting the insurgents. Lack of employment opportunities other than in Government sector has also fuelled the influx of neo-literate youth into insurgent groups.

Steps taken by the Government to deal with insurgency situation in N.E. States include, *inter-alia,* deployment of additional units of Central Para Military Forces and Army; improved coordination and sharing of intelligence; modernisation/upgradation of State Police Forces; sanction of Special Central assistance, reimbursement of security related expenditure; declaration of the most seriously affected areas as "disturbed areas' and notification of the major insurgent groups as 'Unlawful associations'. The situation is also kept under watch and is reviewed from time to time for taking appropriate action. State Governments are also sensitised from time to time to deal with the situation effectively.
